

Loctite® Brand Equipment Rental Program

The Henkel rental program allows our customers the flexibility to confirm the performance of our adhesive and equipment essentially risk-free before making a capital investment. If you decide to purchase the equipment in the first 30 days, the entire rental charge is credited. The benefits of this program include:

- No initial capital outlay is required.
- Trained Henkel personnel will validate that equipment is in good working order.
- Your manufacturing and maintenance staff gets “hands-on” training with the equipment prior to purchase.
- The performance of a new manufacturing process can be confirmed in production representative conditions prior to purchase.
- Short-term production runs for rework or seasonal production can be performed without capital outlay.

Participation in the Program

- The Henkel Equipment Services department must be contacted for quotations, pricing, and availability of rental equipment at 1-800-LOCTITE, extension 5174 or 5452.
- To rent equipment from Henkel, one of the following must apply:
 - You are an established Henkel customer and will use a purchase order.
 - You have a major credit card (Visa or MasterCard).
 - You will have an authorized Loctite® brand distributor send Henkel a purchase order.
- The purchase order or credit card number must be received prior to shipping rental equipment.
- The customer must agree to the full terms and conditions as stated in our quotation.

Loctite® Equipment Web Site

Since 1971, Loctite Corporation, now Henkel Corporation has designed, built, and integrated high quality equipment solutions. This ranges from off-the-shelf standard equipment to custom equipment that is tailored to meet your specific application needs. Henkel innovative equipment services include renting, re-furbishing, and field service of Loctite® brand equipment. Continuing with the Henkel philosophy of providing the highest value and service levels possible, we have developed an Equipment Web Site for our distributors and customers. Visit this site by clicking **Equipment** at www.loctite.com.
